**ORDER**

After the Court's review of this file for entry of appropriate scheduling orders, it is, for good cause, ORDERED as follows:

**1. Filing of Consents or Reassignment Request**

The record reflects the Clerk's transmittal of notice to the plaintiff and defendant on August 14, 2006, of the random assignment of this civil case to a United States Magistrate Judge, who is authorized by 28 U.S.C. § 636(c) to conduct any and all proceedings in a jury or non-jury civil case and to order the entry of final judgment **upon the consent of all parties to a case**. Any appeal from a judgment entered by a Magistrate Judge is taken directly to the United States Court of Appeals for the Eleventh Circuit in the same manner as any appeal from any judgment entered in this court. Any party to this lawsuit has the right to consent to, or decline to consent to, the exercise of jurisdiction of a Magistrate Judge, without adverse consequences. **Counsel for the parties are DIRECTED to execute and send to the Clerk, for receipt not later than September 22, 2006, either the attached form for consent to the Magistrate Judge's exercise or jurisdiction or the attached form for reassignment of this case to the District Judge.**

## 2. Rule 26(f) Conference and Report

Pursuant to FED. R. CIV. P. 26(f) and M.D. Ala. LR 26.2(b), the parties shall confer as soon as practicable “to consider the nature and basis of their claims and defenses and the possibilities for a prompt settlement or resolution of the case, to make or arrange for the disclosures required by Rule 26(a)(1), and to develop a proposed discovery plan. The attorneys of record and all unrepresented parties are jointly responsible for arranging the conference, for attempting in good faith to agree on the proposed discovery plan, and for submitting to the court a written report outlining the plan. **The Rule 26(f) report containing the discovery plan shall be filed as soon as practicable but not later than October 20, 2006.** The report of the parties should comply with Form 35 , Appendix of Forms to the Federal Rules of Civil Procedure.

## 3. Dispositive Motions

The longstanding practice in this district is that dispositive motions shall be filed no later than 90 days prior to the pretrial date. If the parties seek to vary from that schedule, they should present, in the plan, specific case-related reasons for the requested variance.

## 4. Scheduling for Trial

The court may or may not hold a scheduling conference before issuing a scheduling order, and counsel may indicate any preference on the Rule 26(f) report. If the court sets a scheduling conference, counsel may participate by conference call as circumstances may warrant.

This case will be set for trial during one of the assigned judge's regularly scheduled civil trial terms. The pretrial date is normally set within four to six weeks of a scheduled trial term. The dates of each judge's civil trial terms are available on the court's website located at <http://almd.uscourts.gov> in the civil case information section.

The scheduling order entered by the court will follow the form of the Uniform Scheduling Order adopted by the judges of this court. The Uniform Scheduling Order is also available on the court's website.

DONE this 14<sup>th</sup> day of September, 2006.
